

Art in Bartow's Iron Butterfly Project

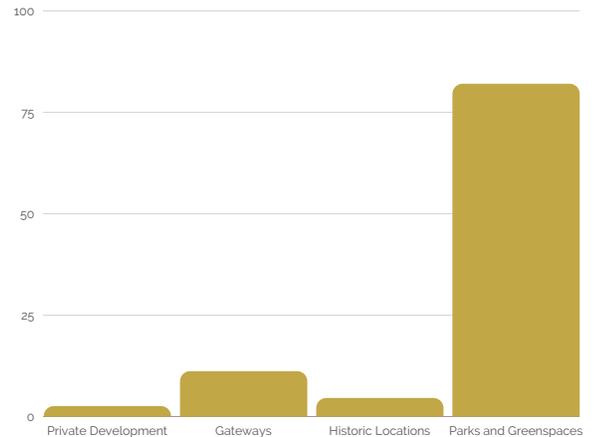

in Cartersville and Bartow County, GA

Art in Bartow's Iron Butterfly Project

An effort to celebrate the Cartersville and Bartow County Trail systems through the arts.

Community Arts Survey

Art in Bartow conducted a survey of 200+ people, 90% of whom live or work in Bartow County. When asked "How important are arts and culture to your quality of life?" more than 70% answered "important" or "most important." When asked where they wanted to see public art, overwhelmingly parks and greenspaces won with 81.9 percent of voters selecting it.

Iron Butterfly at the Trailhead

While Cartersville and Bartow County have amazing trails already in use, there wasn't a unifying theme to promote these local trails. Enter The Iron Butterfly, a nod to our industrial past and a symbol of growth, becoming and our reach to a better, healthier future.

Launch of Ottocast App

We've launched "an app for that" partnering with Ottocast, an app that provides mobile maps and more with QR codes, audio recordings, and collectable badges. It has the ability to integrate sponsor representation directly into the interface.

What is Included in Sponsorship?

- 1 Individualized Iron Butterfly & Placement Options
- 2 Logo on Readerboard
- 3 Logo in Ottocast App and on Maps
